Mr. Ken Sommerfeldt

Phone: 403-653-4991
Fax: 403-653-4661

Dear Parents,

As our school year begins, we wish to inform or remind you of the Westwind School Division #74's policy regarding dealing with high-risk behaviours.

In order to enhance a sense of safety and security for everyone in our schools, Westwind School Division #74 will take necessary actions in response to all high-risk behaviours. High-risk behaviours include, but are not limited to: possession of weapons, bomb threats, and threats to kill or injure self or others. Should any student engage in behaviour, which threatens, or appears to threaten the safety of self or others, our protocol for dealing with high-risk behaviours will be activated.

Should you wish to review our policies (**Policy 310.0** – Welcoming, Safe, Caring & Respectful Schools; **Policy 326.0** – Harassment/Bullying & **Policy 319.0** – Threat Assessment), please check our website at www.westwind.ab.ca under Documents (Board Policies). Feel free to contact your school principal for more information.

It would be helpful if you would discuss this policy with your child/children. We look forward to a positive and safe year in our schools.

Sincerely,

Ken Sommerfeldt
Superintendent of Schools

On behalf of the staff at the Raymond High School, I would like to take an opportunity to welcome all students, both new and returning to RHS. You will find that we are a friendly school with a terrific culture that centers on creating a Whole School experience for the students. We want our students to feel as though they can get involved in a variety of activities that will allow them to become well-rounded individuals. We feel that the school is student centered, and that we not only put student learning at the forefront, but we provide opportunities in many areas to allow for student growth.

We believe that we have a longstanding tradition of excellence that is expressed in all areas. Students are encouraged to get involved and push themselves in order to grow and reach greater heights. Whether it is in the classroom with academics, our excellent art programs or in an athletic endeavor, we want our students to reach for the stars.

We believe in making RHS a safe place for all students, and we have a number of policies and regulations in place that will benefit our students. RHS understands and welcomes the diversity among students. We feel that we offer a variety of high quality programs for students to participate in. These programs are created to allow the students to learn many valuable traits they can take with them when they leave RHS. We want the time spent here to be a cherished memory.

It is our goal that every student has a positive experience while attending the Raymond High School. The high school years go by quickly and the staff at RHS strives to make every experience memorable.

In order to make the most of your high school experience, I encourage students to take on some accountability for that. Get involved, make new friends and connect to the teachers and students in our school.

Together we can create an awesome environment at RHS!!

Welcome to the 2017/2018 school year

1.3 Division & School Administration

Superintendent of Schools:

Mr. Ken Sommerfeldt

RHS Administration:

Mr. Todd Heggie, Principal

Mr. Jerry Salmon, Vice Principal

1.4 Counseling Office

Mr. Darryl Salmon is the Guidance Counselor. Appointments can be made with him regarding any guidance services and academic tracking students may require. University and college catalogs are available. Application forms to post secondary institutions can be picked up from the Guidance Office. You may also make a direct request to the post secondary institution of your choice for application forms if RHS does not have the information for you.

2. Attendance/Late Policy & Procedures

2.1 Ongoing regular attendance at school is a significant contributing factor to student learning. In the interests of student learning, regular attendance at school shall be required of all students throughout the school year.

2.2 All school personnel will cooperate with students and parents/guardians to help solve any attendance problems.

2.3 **Prior** to a student's absence, parents/Guardians will inform the school, of the absence. Confirmation prior to the absence ensures contact and co-operation between all parties (student, parent and school) and removes the necessity for "after-the-fact" confirmation. Parents/Guardians are to be informed of unwarranted absences by telephone and by email (if possible). A reply with the confirmation or reason is necessary.

2.4 The completion of all homework assignments, tests or quizzes scheduled on the day(s) of the absence(s) will be left up to the discretion of the teacher.

2.5 By registering, you make a commitment to regular attendance in all your courses. Regular attendance is a major factor in making you eligible to receive credits for a full semesters work.

2.6 Each teacher keeps an accurate attendance record of every student registered in a course. This record also reflects students being late. Being called from class is disruptive to the learning environment. This will be avoided if all absences are confirmed.

2.7 If a student has:

- 10 absences (or 5 unexcused absences)
- 5 lates

A meeting with the student, parents and administration will be held to determine if the student is able to meet the learning requirements of the course. If it is determined that too much learning has been missed, alternate options will be explored, such as Westwind Alternate School or retaking the course at another time.

2.8 All parents/guardians can access their student's attendance records at anytime through the PowerSchool program. Please contact the school if you

experience difficulty accessing this information.

- 2.9 Parents/guardians may confirm their student's absence at any time, night or day, by phoning the school.
- 2.10 Some parents take their children on holidays that exceed those granted by the Board of Education and Alberta Education. In these cases, no official sanction can be granted, and you and your parents must accept full responsibility for the detrimental effects of missing regular classroom instruction. While it may be helpful for you to receive the reading and work assignments from your teachers prior to your absence, such information does not imply school consent or permission for such absence. RHS staff and administration strongly advise against any lengthy absences.
* Absences occurring on school-sponsored activities do not count against the student.
- 2.11 Progress reports for individual students can be accessed through PowerSchool/PowerSchool App anytime, day or night. Any parent/guardian who unable to access this information through the computer is invited to please contact the school.

3. Reporting Policy and Procedures

It is the policy of Raymond High School that student's progress be reported to parents/guardians by the individual teachers monthly. This is to assist parents/guardians in being aware of achievements and/or difficulties that a student may encounter.

We encourage parents/guardians to utilize PowerSchool or PowerSchool App to access up to date information regarding student progress. Parents/guardians are encouraged to contact individual teachers whenever they feel the necessity.

- 3.1 Final reports for Grades 10, 11, and 12 will be issued from the General Office for non-diploma examinations only.
- 3.2 Teachers may, from time to time, send additional information by way of letter, email, or telephone to parents/guardians.

- 3.3 Teachers will provide students with adequate notice regarding due dates for projects, major examinations, and major assignments. If you don't have a confirmed absence on the date an exam is written or assignment or project is due, you may miss the opportunity to complete the project. Each student has the responsibility to talk to his or her teacher regarding alternate arrangements to complete the missed work. If difficulties arise on the application of this policy, students may appeal to the principal for a final decision.

4. Illness or Injury during School Hours

If a student is ill and feels that he/she must go home, he/she must report to the General Office. The parent/guardian will be notified whenever possible and they can either pick up the student or give the high school office permission to let the student return home. No student will be allowed to leave the school except by this method. If parental contact is not made, the student will remain in the infirmary until a break in the school day (noon hour or the end of the day).

If a student is injured during school hours, he/she will report to the General Office, where possible. Parents will be contacted if possible and proper medical people will be contacted if parents cannot be reached.

5. Student Behavior

- 5.1 The School Act states "A student shall conduct himself so as to reasonably comply with the following code of conduct:
- (a) Be diligent in pursuing his studies;
 - (b) Attend school regularly and punctually.
 - (c) Cooperate fully with everyone authorized by the Board to provide education programs and other services;
 - (d) Comply with the rules of the school;
 - (e) Account to his teacher for his conduct;
 - (f) Respect the rights of others.

- 5.2 Each student is expected to strive to take full advantage of educational opportunities and to do well in all aspects of school life. Each student has the right to an education in an orderly, safe, and sanitary atmosphere and is expected to contribute to such an environment.
- 5.3 Any student who attends an extracurricular activity sponsored by the school is subject to all school and division policies, regardless of the location of such activity. Any student using alcohol, illegal drugs, or tobacco products at any such activity is subject to immediate suspension from school and could face expulsion.
- 5.4 Any student whose behavior results in his/her being sent home early will travel at the expense of his/her parent/guardian.
- 5.5 In all cases where judgment is required in the interpretation of these regulations, the decision of the high school principal shall be final. Failure of the student to comply with these regulations constitutes an infringement upon the rights of other students and may result in suspension from school.
- 5.6 Bullying- RHS has zero tolerance for bullying. Procedures for handling cases of harassment/bullying will follow those outlined in policy #326 of the Westwind policy manual.
- 5.7 Students of RHS we want our school to be a place that recognizes and respects each of our individual differences and choices. RHS is a place where racial, religious, sexual preference or any other personal choices are not judged by others. We are not a school that allows a platform for propaganda, either for or against, to be present in written, spoken, or in any other form. We need to treat others with dignity and make sure your behaviors are respectful. It will make you a person of quality.

6. Assembly Behavior

- 6.1 At all times, a student's behavior should be refined and courteous. An indication of the cultural level of a school lies in the conduct of its student body at an assembly. Whether guests are present or

not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct includes whistling, uncalled for clapping, boisterousness, and talking during a program. Any student exhibiting such behavior will be asked to leave the assembly.

- 6.2 Student assemblies are held during the school day and when such assemblies are called, all students have a responsibility to attend. Leaving the school during an assembly requires checking out through the General Office just as you would check out from a classroom.

7. Student Dress

The appearance of any young person is primarily the responsibility of the individual and the individual's parents/guardians. We expect students to maintain a type of appearance that is not distracting or detrimental to the educational process of the school. Appropriate attire includes appropriate business casual attire, which means:

- Clothing which covers the chest, back and midriff.
- Shirt/top that touches the pants/skirt at the hipline or waistline, and covers the shoulders (NO TANK TOPS).
- Clothing that covers the undergarments at all times.
- Clothing that does not display inappropriate symbols or graphics.
- Shorts that must be the length of the student's arms with relaxed shoulders.
- The wearing of hats inside a building is not proper etiquette, and therefore hats should not be worn in school during school hours.
- Such judgments, when necessary, will be the responsibility of the faculty. The decision of the teacher is final, and in such cases where judgment is required, the student will be sent home to change, or be removed from the class for the day, and as a result, will face the consequences of being late, absent, or both upon his/her return to school.

8. Athletic Policy and Procedures

Each student who competes in any of our inter-scholastic sports must adhere to the following:

- 8.1 He/She must be enrolled in a minimum of 13 course credits per semester of the year of participation. If you drop below that number any time during the semester, you will be suspended from the team for the balance of the season.
- 8.2 As a participant, each student athlete is expected to attend all practices as designated by the coach(es).
- 8.3 He/She must meet the eligibility requirements as stated in the A.S.A.A. rules or the league rules or both.
- 8.4 He/She must be a respectable representative of the school, deemed as such by the opinion of the coach and/or school administration.
- 8.5 A student athlete, absent for any part of a school day when extracurricular activities occur, shall not participate in the activities that day. Special or emergency absences (i.e. specialist appointments, funerals, etc.) will be considered exceptions to this policy if parents confirm the absence with school administration prior to the school day. The decision of the administration is final.
- 8.6 He/She must attend all games or functions of said activity in the school bus or school transportation provided. All participants will leave from the high school and will be returned to the high school. Unless prior arrangements have been made.
- 8.7 Participation is based on the premise that extracurricular activities add to a student's program and enjoyment. However, it is understood that academic excellence comes first, and if a student experiences difficulty attending classes or completing homework and other classroom assignments because of practice or game times, the student will be removed from the team unless a change of priorities occurs.

NOTE: If a student is sick any part of the school day, he/she shall not participate in school activities that day.

9. Field Trips/Extracurricular Trips

Students are under the direction of the schoolteacher advisor and any other coaches or supervisors while on a field trip or extracurricular trip. The standard of conduct on such an excursion is expected to be within present school policy. Permission slips must be received by the school before any person will be allowed to travel with the class or group. If a decision on a trip must be made regarding this policy, it will be made by the teacher in charge of the program.

10. Medication

The school is not permitted to dispense medication, including aspirin. In exceptional circumstances, parents/guardians may arrange with the General Office for medication to be left at the school for individual student use. It must be clearly understood that this does not indicate any responsibility on the part of the school to see that prescribed medication is administered to or properly used. This must remain the exclusive responsibility of the individual and parents/guardians.

11. Student Lockers

Students will be issued a locker which they retain for the school year. Lockers are not to be traded with anyone except with the permission of the Secretary, who keeps the master locker list. All students should remember the following points relating to the use of school lockers:

- 11.1 The school cannot accept responsibility for articles stolen from lockers.
- 11.2 School administration reserves the right to search student lockers in special situations such as suspicion of rule violations, health and safety protection, the recovery of textbooks or overdue library books, et cetera.
- 11.3 Lockers must be completely emptied by the student no later than the last day of classes in June.

- 11.4 RHS recognizes that from time to time it may be deemed necessary by the school administration for school lockers to be searched by police service dogs. When this occurs guidelines outlined in West wind Policy #353 will be adhered to.
- 11.5 RHS reserves the right to search all school facilities including lockers, desks, and personal items such as backpacks, purses, coats, etc.

12. Fire Drills

Each student is expected to become familiar with the fire exit routes posted on or near the doorway of each classroom. Fire drills will be held each year. The building must be cleared each time the fire alarm rings. Students should assemble away from the building, along the town sidewalk. Tampering with the fire alarm or any of the equipment is a serious offence and will be handled accordingly.

13. Telephone Calls

- 13.1 A student telephone is provided near the General Office for student use. Please be brief and limit your calls to school related matters. Parents, siblings, friends, or relatives should not telephone the school and expect messages to be given to students, except in the case of an emergency.
- 13.2 Cell Phones

The cell phone policy will be stated by each individual teacher for their class.

14. School Suspensions/ Expulsions

- 14.1 Suspension is the temporary dismissal from a class or from school. Expulsion is a permanent removal from school and always involves the Superintendent and members of the Board of Education.
- 14.2 When a student is suspended from more than one class period, he/she is entitled to a hearing with the principal. Parents will be notified of all suspensions exceeding one class, stating the reason(s) for and length of the suspension. This notice will be made by telephone whenever possible. When a student has been suspended from school parents will receive written notification stating the reason(s) for, and length of time of the suspension.

- 14.3 No student will be allowed to participate in any inter-scholastic or extra-curricular activity while on suspension.
- 14.4 A student who has been expelled may be re-admitted the following year only by the approval of the Board of Education.

15. Visitors to the School

Occasionally, a student may wish to have a friend attend classes with him/her for the day. Arrangements for visitors must be made with the principal at least one full day prior to the planned visit. The following guidelines apply:

- 15.1 The visitor must be a secondary school student.
- 15.2 Obtain permission of the principal.
- 15.3 Each teacher retains the right to refuse a student the privilege of bringing a visitor to class even though general approval has been granted by the school administration.

16. Library Policy

All library materials must be checked out before being removed from the library. Students will not be allowed to check out materials if they are on the current overdue book list. Materials used in the library should be turned in at the checkout desk at the end of the period. Students losing or abusing library materials will be required to pay the replacements costs.

17. Student Council

The Student Council Executive is made up of the following elected or appointed positions:

 The following elected or appointed positions make up the remainder of the student council

- 17.2 To organize and administer to all student oriented social activities
- 17.3 To assist in the organization of athletic and other such extracurricular activities.

18. School Activities & Fee Structure

- 18.1 Westwind School Division set textbook rental fees and other instructional fees to be charged.
- 18.2 All students participating in a school activity that requires the purchase of school uniforms will be charged a participation fee. The current schedule is available at the Office.

Any student requiring special considerations please contact the school administration. All discussions will be in strict confidentiality.

19. Withdrawals and Transfer from School

When a student withdraws from school or transfers to another school, he/she must notify the General Office and turn in all textbooks and school owned items. When all accounts are cleared, a recommendation will then be made to return the unused portion of the school fees. This is pro-rated over 10 months, and no refunds are issued after March 1st of each school year. . If a student ceases to attend RHS and fails to notify

the General Office, fees will be charged until official notification from parent/guardian has been received.

21. Homework Policy

Students can expect homework in most high school courses. Your teacher will inform you of the homework requirements for each individual course.

22. Plagiarism

Plagiarism, like cheating, is an act that directly challenges the concept of intellectual honesty. It occurs when a person: Hands in someone else's work as his own. This applies to direct presentation of someone else's work, a paraphrase of someone's work, or use of someone's actual ideas. Cites sources improperly whether direct copying, or using phrases or even someone's idea.

Plagiarism is not acceptable at RHS and will not be treated lightly. It may result in getting zero on an assignment or losing credit for a course.

23. Grievance Procedure

Each student has the right to appeal a final mark in a high school course. If a student wishes to appeal a final mark, follow these steps:

- 23.1 Make the appeal in writing, in the form of a letter to the principal.
- 23.2 Include in the letter the reason(s) for the appeal, that is, the things you judge to be unfair or incorrect or both.
- 23.3 The appeal must be made within 30 days of the final marks being released.

24. Lost and Found

Students finding misplaced property are asked to bring it to the General Office. Students who have the misfortune of losing property should report the loss to the office. Found items will be kept for a maximum of 2 weeks and will then be disposed of in a manner deemed appropriate.

25. Course Outlines

A printed outline is provided for each student in every course he/she is enrolled in. This outline must be in your hands no later than the end of the first week of classes. It will outline the major topics to be studied, identify the major tasks to be completed, and will have the method of evaluation used to calculate your final mark. - (C) The awarding of letters will be at the discretion of the Head Coach of each sport
- (D) Non-team athletic events such as golf, track, and rodeo, require excellence at Zone or Provincial levels before a letter is awarded.
- (E) Male/Female Athlete of the year will always be a graduating student and consideration for the award will be a cumulative evaluation of three years RHS sponsored extra-curricular activities. The criteria for this award will include (but not be restricted to) athletic performance, leadership and overall contribution to R.H.S. athletic programs. These awards will be presented at a school assembly in June.
- (F) All team awards and letters will be given at the athletic awards assembly.
