Dear Parents/Guardians & Students:

We hope your past week has been a productive one. We want to say thank you to our students for logging on to Google Meet to have online lessons, finishing assignments that have been given, and continuing to work on tasks that have been assigned. The online environment is a new adventure and can be frustrating at times. Please reach out to your teacher if you are feeling overwhelmed or need more clarification on assignments. They are more than willing to help.

Parents/guardians please do your best to encourage your student to finish and hand in assignments. Don't let the assignments pile up as this will be a source of frustration and contention in your home. We are trying to stay within our guidelines of 3 hours per course per week.

Lastly, Mrs. Rompain, along with her yearbook staff, is working on finishing the yearbook. She has sent out some questions for the students in grade 12 that she would like answered. Some of you may have already filled them out. Here are the questions:

1. Describe yourself in three words.
2. What are your plans for the future?
3. What is your favourite memory?
4. What is your favourite quote?

Please email your answers to yearbookrhs20@gmail.com.

Have a great week.

Sincerely,

Darryl Salmon
