May 19, 2020

Parents/Guardians & Students,

Welcome back from a long weekend. Students going into Grade 11 and 12 next year need to register for class. This is important to us as a school, as we base our option/core courses on requests. So **please, please, please** finish registering so that we can build a schedule and get our timetables out to students. I will keep the links for registering below. If you have already registered, thank you.

Here are the links.

[Going into Grade 11 and 12 Registration](#)

[Going into Grade 10 Registration](#)

[Option Course Descriptions](#)

We will keep the registration open until May 21, 2020.

If you have any questions about registering, please contact Mr. Brett Ralph, [brett.ralph@westwind.ab.ca](mailto:brett.ralph@westwind.ab.ca), 403 752-3381.

Go Comets!

## **Here is a weekly summary of classes for May 19-22**
