June 1, 2020

Parents/Guardians & Students,

Welcome to June! We hope you have survived our last few windy days. We do not have much school left and we hope that you will finish strong and hand in those last remaining assignments.

Timelines for the Month of June 2020

- June 19, 2020 will be our last day of school.
- June 12, 2020 will be our last day of new instruction. We will be using the week from June 12-19 to collect/finish any assignments and/or projects.
- June 17-25 will be textbook and/or computer hand in. We will collect these at the school.
- Graduation – Wednesday, June 24 (Details to follow)

Go Comets!

Here is a weekly summary of classes for June 1-5.

Biology 20

Thursday, June 4 is our chapter 12 skill check.

Leading up to it this week will be ongoing question and answer for the Chapter 12 worksheets. We will have google meet on Tuesday at 2.
