RE: Fan Behavior

Students, Parents & Fans of Comet Basketball,

We hope this letter finds you well. Our basketball season is getting ready to begin for another year. We are excited for our gym to be full and for our fans to cheer on our teams. As we begin this basketball season, we would like to kindly remind you the following items:

- Please be respectful of the referees. They have a hard job and are trying their best to make the right call. On occasion, they may not make the correct call. Please refrain from chanting, "Refs, you suck," or other derogatory terms towards the referees.
- Please be respectful of players from other teams. We would ask that comments towards the opposing team DO NOT turn personal in nature. Please don't use the personal names of the opposing team's players to say something rude or derogatory about the individual.
- Please pick up your own garbage and take it out with you. We have asked our teams to help clean up after the game, and at times, there have been enormous amounts of garbage left in the stands. We would love your help by cleaning up your own mess.

Thank you for your help in these matters. We have the best fans, and we are looking forward to seeing you again this year.

GO COMETS!

Sincerely,

A handwritten signature in black ink, appearing to read "D. Salmon".

Darryl Salmon

Principal
